A Note from Ms. Nelson

Dear 4th Grade Families,

It was so wonderful seeing so many of you at Back to School Night last night! I could talk about the joys of 4th grade all day, so I appreciate you taking the time to listen to me talk about something I love. I hope you were able to leave with a little bit of a better picture of what the year ahead will hold!

Since the kids will have to listen to me teach them for the whole rest of the year, I thought I would let them have a turn teaching each other before handing the mic back over to me! Students completed Math “expert projects” where they chose a topic they felt confident in, and taught the class how to do that skill as a refresher before we jump into curriculum next week. Students also spent time in Social Studies creating a collaborative Google Slides presentation on the 5 themes of geography, which they will be presenting next week.

Walk-To Placements begin next week. You will receive an email from me this weekend explaining if your child is walking, and where they will be walking for that subject. If you have any questions or concerns, please don’t hesitate to reach out!

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson

Upcoming Tests:

Math: Mid-Ch. 1 Quiz, Thursday 9/21

Reading: Spelling Test, Friday 9/22

I mentioned at Back to School Night that **4th graders get a free National Parks Pass for their whole 4th grade year!** If you are interested in signing up for a pass for your child, there is a link on our Google Classroom.

Let the adventures begin!

Our first Mass of the school year is next Wednesday (9/20)! Our class will be singing in the choir! I am so looking forward to seeing them lead the congregation in song, and would love for you to join us!

First Mass!
