A Note from Ms. Nelson

Dear 4th Grade Families,

What a wonderful first week of 4th grade!

It has been such a joy getting to see your kiddos every day this week and starting to get to know their personalities. This class has such a wonderful energy, and a love for learning, it makes coming to school so easy every morning! I am looking forward to seeing them continue to grow this year.

This week we worked hard on getting our classroom routines and procedures solidified, as well as talking about how we treat each other in 4th grade. This class had so many genuine and authentic ideas about how to treat one another! This all culminated in the creation of our class agreement, which they signed today.

Next week we will start settling into our regular routines and schedule, with walk-to placements beginning the next week. Please take a look at the week-at-a-glance for more information about the coming week.

Please don't hesitate to reach out if you have any questions or concerns. **Know of my prayers for you always!**

Best,

Ms. Nelson
