A Note from Ms. Nelson

Dear 4th Grade Families,

We had a wonderful week in 4th grade! We got the chance to celebrate one of our classmates heading to Paris for soccer training, learn some French, and we finished our salt dough maps! Students also did a great job memorizing all 12 of the apostles so that they could impress our visiting priest with their incredible apostle knowledge.

On Monday we will head to the corn maze at Swans Trail Farms for our field trip! Parents who are driving should plan to be at school by 10:30, to give us plenty of time to get loaded into cars and get to the farm on time. Please send your child in their regular uniform, but make sure they wear shoes that can get muddy (rain boots, hiking boots, etc.). Please also have your child bring an extra pair of shoes (their regular school shoes are fine) that they can change into after the corn maze, so we are not trekking mud into people's cars! Make sure they pack a big lunch to eat after their corn maze adventure! They will also need to pack and eat a nice big snack as they will be eating lunch around 12:30 or 1. Please also send them with a water bottle. It will be a busy and exciting day! Please don't hesitate to reach out with any other questions!

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson

If your child would like to dress up as their favorite saint, they are more than welcome to come to school in their saint costume and participate in a procession into the Church that morning.

Please fill out the form at the link in this week's bulletin to let us know what times work best for conferences! I am looking forward to chatting about your wonderful children!
