A Note from Ms. Nelson

Dear 4th Grade Families,

Happy Washington Day! Your students made the day so fun and special, and we spent it making art inspired by Native American Button Blankets, writing a letter to our Secretary of State asking for a new state flag for our school, and singing our state song while completing some state symbols handwriting. They are proud Washingtonians and I had such a great day celebrating our state with them. This will definitely have to be a yearly tradition!

In addition to new Washington stickers and a fun birthday party hat, students are also bringing home their conference schedule forms. Please let me know if for any reason the days or times don't work. We worked to schedule them in the times requested, but if for some reason it doesn't work, I would happy to reschedule.

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson
