Week 9

A Note from Ms. Nelson

Week of
October 30th

Dear 4th Grade Families,

What a week! We started the week off with a trip to the corn maze, which was a blast! The kids had such a great time, and hopefully learned a little along the way! A big thank you to our fearless chaperones who lead the kids through the maze with ease. I am so grateful for all your help!

We also got to celebrate Halloween on Tuesday, and All Saints Day on Wednesday - it was a busy couple days! While these weeks can be tiring, they are also the weeks where I feel so lucky to do this job. Thank you for sharing your wonderful children with all of us at SMS!

I cannot believe it is already November! If you have not done so already, please take a moment to complete the survey sent out by Dr. Romero to sign up for a conference time that works with your busy schedule. I am looking forward to finding a time to talk about your fabulous student!

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson

Washington Day!

Next week on Thursday, 11/9, 4th grade will be celebrating the day Washington became a state (11/11).

We will be celebrating with lots of Washington themed activities, and will be working on a craft that will be a part of their completed Washington State Project! It will be a great day to celebrate our state pride!

Veteran's Day!

Next week, we will have NO SCHOOL on Friday 11/10 to honor Veteran's Day! Enjoy the three day weekend! Thank you to those who have served our country!

Corn Maze fun!
