

4TH GRADE

Week 16

Newsletter

Week of January
2nd

A Note from Ms. Nelson

Dear 4th Grade Families,

It has been so wonderful being back with the students this week! I have loved hearing their stories about their breaks, Christmas, and just seeing their faces again at the door every morning. I missed them all over break!

We have had a busy week in 4th grade! In Reading we finished the first of four parts of Tale of Despereaux, and in Math, we have started laying the ground work for long division, which will be starting next week - brace yourselves! In Science we began our next big unit on energy, and explored the way that objects store and use energy. We also began discussing the Age of Exploration in Social Studies, and set New Year's Resolutions in Writing.

There are always fun things happening in our classroom, so please take a moment to read next week's WAG for a peek ahead!

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson

January Masses

4th grade will be responsible for leading the school community in prayer at Mass for the month of January! Students from our class will serve as readers, gift bearers, and as always, the choir! We would love to have you celebrate with us any Wednesday in January at 9am. **All are welcome!**

GO Huskies!

On Monday, January 8th, students may wear UW gear, or any college team gear, to celebrate our Huskies going to the National Championship! Break out your purple and gold, or any college team spirit gear, to show your support! Go Huskies!

Upcoming Tests/Projects:

Math: STAR Math, Thursday 1/11 (in 4th Grade Walk-To Math)

Reading: STAR Reading, Friday 1/12 (in 4th Grade Walk-To Read)

Spelling Test, Friday 1/12
