Week of
February 5th

A Note from Ms. Nelson

Dear 4th Grade Families,

It has been a busy, fun, and short week in 4th grade! We continued designing our chain reaction machines and shared them with the class, we finished Prince of Egypt and compared the artistic choices with the Biblical story, and we started making Code Buster posters in Math to practice representing letters and numbers with symbols - a skill that will come in handy in the next few lessons! We are always up to something exciting!

Next week we will enter the Lenten season with our celebration of Ash Wednesday. The schedule next week is a little all over the place, so please take a look below for notes about Valentines Day, Ash Wednesday Mass, and more!

There are always fun things happening in our classroom, so please take a moment to read next week's WAG for a peek ahead!

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson

Valentine's Day!

Valentine's Day Buddy gifts need to be completed and turned in on Monday, 2/12 so I can ensure that everyone has a gift on the 13th when we do our gift exchange. Please don't hesitate to reach out with any questions!

We are considering the 13th our Valentines Day since the 14th is Ash Wednesday. Students may wear red, pink, and purple free dress that day to celebrate!

Ash Wednesday

Next week, 2/14, we will celebrate Ash Wednesday as we enter into the Lenten Season. **Students need to be in their full uniforms for Mass, which we will be singing at!** All are welcome to join us at 9:00 for this holy day!

Passport to Adventure

Looking for something fun to do over your long weekend? Try checking something off your child's Passport to Adventure! Remember, Passport activities are not required, but encouraged!
