

4TH GRADE

Week 15

Newsletter

A Note from Ms. Nelson

Dear 4th Grade Families,

A very Happy New Year to you and your whole family! I hope you have been able to enjoy some time with family in the past two weeks, celebrate the Holidays, and get some much deserved rest. I am so looking forward to seeing the students and hearing all about your adventures from the break! Safe travels to those of you still making your way back to the Seattle area.

I would also like to thank you all so much for your thoughtful gifts, and for the extremely generous gift from all of you. I feel so blessed to have such wonderful families in my class this year, and to get the chance to work with your children every day. That is such a gift in itself! It was so generous of you all to think of me, and I am very grateful.

We will be hitting the ground running when we get back from break, so take a look at the week at a glance to see what 4th grade will be up to!

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson

January Masses

4th grade will be responsible for leading the school community in prayer at Mass for the month of January! Students from our class will serve as readers, gift bearers, and as always, the choir! We would love to have you celebrate with us any Wednesday in January at 9am. **All are welcome!**

Planners

Starting January 16th, I will no longer be checking student's planners in the afternoon. This is the first big step in my **releasing responsibility to them, and encouraging them to take accountability for their homework**. I encourage you to do the same, however if you ever feel as though your child is not completing their assigned work, you can always check Google Classroom!
