A Note from Ms. Nelson

Dear 4th Grade Families,

If you have not asked your child about their puppet from art class, you may just want to! Students spent most of the second trimester in Art making detailed puppets, complete with hand sewn costumes and various hair styles. They have now brought those puppets, and their puppet show stage into the classroom, where they are using any extra time to write a full play! It has been so much fun seeing them be so creative and use their gifts and talents to support each other's artistic visions.

In Reading this week, students picked a writing prompt for their essay on the Tale of Despereaux, while in Math they explored adding and subtracting fractions and mixed numbers. In Social Studies they read about the Oregon Trail, and we also had a special visit from Mrs. Canan who came to teach us all about Persian New Year!

There are always fun things happening in our classroom, so please take a moment to read next week's WAG for a peek ahead!

**Know of my prayers for you and your family always, and enjoy your weekend!**

Best,

*Ms. Nelson*
