

4TH GRADE

Week 25

Newsletter

Week of
March 11th

A Note from Ms. Nelson

Dear 4th Grade Families,

From making our own mini-flashlights, to the Awesome Reading Challenge, this week in 4th grade has been SO. MUCH. FUN!

This week in Math we explored improper fractions and mixed numbers, and in Science we built our own mini-circuits with only a battery and led lightbulbs. In Religion we started learning about Holy Week and the Easter Triduum, and in Reading we finally finished The Tale of Despereaux! In Writing we had some fun imagining what we would do if we found a pot of gold, or turned into a leprechaun - their stories were so creative! They will be coming home soon for you to enjoy!

There are always fun things happening in our classroom, so please take a moment to read next week's WAG for a peek ahead!

Know of my prayers for you and your family always, and enjoy your weekend!

Best,

Ms. Nelson

March Madness Readers

March Madness is (almost!) upon us! While I don't know much about basketball, I do know a lot about children's books! Starting March 18th, we will begin a March Madness Style Tournament of Children's Literature! Each day, we will read two different children's books, and the kids will vote on which book should "advance" to the next round and face a different competitor! This is where you come in! Much like we did during Advent with mystery readers, I would like to invite some of you to come in and share a story with us! You are welcome to bring your own book, or read a book from my library. If you are interested in reading, please reach out for more details!

Upcoming Dates:

Thursday, 3/21: World Down Syndrome Day - wear an extra sock (pinned to your shirt) to celebrate our friends with an extra chromosome!

Friday, 3/22: \$1 Free Dress Fundraiser for the St. Vincent de Paul Society

Monday, 4/1 - Friday, 4/5: Spring Break!

Celebrate St. Madeleine's

Celebrate St. Madeleine's by attending our Parish and School Auction and Gala on Saturday, April 27, at The Seattle Marriott Bellevue! You can follow this link to register for a wonderful evening celebrating our amazing school! [Link to register!](#)
